Dear Inc. 500 Honoree:

On behalf of the State of Florida, I invite you to attend the 22nd Annual Inc. 500 National Conference, March 24-27, 2004, at the Doral Golf Resort and Spa in Miami.

The Inc. 500 conference will afford you the opportunity to network with other entrepreneurs who, like yourself, are seeking innovative ways to improve their products and services. As a previous recipient of the Inc. 500 award, you know that well-run businesses are leading the way in building our economy. I am committed to this same level of success as I work with Florida's business community to craft an economic strategy for our state.

South Florida is excited to host this prestigious convention and is committed to making this a first-class experience for all to enjoy and remember. Miami has a vast array of cultures, with an international flavor unmatched by any other place in the country, and we welcome you to partake of its many wonders.

Best wishes for continued growth and success. I hope you will have the opportunity to attend and enjoy the conference.

Sincerely,

A handwritten signature in black ink that reads "Jeb Bush".
